Claims committee; will research the prospect of getting a forest service agent to a future meeting. With the draught there are changes for the state and we need to know what those changes are.

Dan Hausel slide show

June 21, 2003 has been set for the date of the outing with Dan Hausel. Snowy Range (Centennial Ridge) area. If you have walkie-talkies you will want to bring them. The trip is on Friday, however, the tour will be on Sat. More information will be given at the Jan 7 meeting.

No word has been given on whether Tom or Perry Massy will be available for the outing in July.

For those of you that have purchased Felix gold, they would like a note or letter on how you have enjoyed the amount of the gold in the packages. Those that have purchased the Jackpot packages, if you are the lucky one to find the 1oz. nugget they really want to hear from you. Let's hope it is one of us that will find it. That would be a nice Christmas present!

The subject of what prizes the members would like to see for raffles was again brought up. The officers will do the deciding.

Please try to make the Jan meeting. It will be informative and fun. Dan has a knowledge that will be beneficial to us all. When, where, how and why should be answered for us. This will be a great way to start out the new year.

Before the meeting in Feb the club will need to elect a new Secretary. I enjoy being a member of such a great organization and will do what I can for the good of it, however, at this time I am unable to fulfill the needs of the club and feel that another club member will be able to meet those needs as required by the position.

From the officers of the Cheyenne GPAA, we would like to wish each and every one of you a Happy Holiday Season. That Santa fills your stockings with gold and fills the New Year with health and happiness.

Margaret
