A thanks goes out to all who donated.

Report on the Gold and mineral show is that we made \$395 profit. We sold about half of the gold bags. Thanks to everyone who helped out at the show.

We are thinking about setting up a display at SuperDay next year. We will tell more when we get the information on it. Sand will be for sell at the next meeting and outing for those members that would like to purchase some.

The outing next month will be out at Douglas creek. Directions included. Meeting will be at 10:00AM on the 13th, with potluck after. There will be hands on demonstrations with some dredges, metal detectors, high bankers, spiral pans and more. If you have any equipment and are willing to help out you are welcome to teach the other members.

Dredging - anything motorized needs a permit. They are free and not hard to obtain. Dredging season is July 1st - Sept. 10th. Dredges no bigger than 3 inch intakes. Pan and Sluices allowed.

Please fill in your holes an others. No dredging, high banking or digging in the banks, or they will close it. There will now be a suggestion box at the meetings. Please feel free to make suggestions or comments at the meetings. The website is finished and members at the meeting said it was pretty good. It will be on the internet soon as soon as we get some web space to put it on.

Mike donated a 1979 issue of Prospectors News & a video to the Library. Don't try to contact Mike through the GPAA website. If you need to email him here is his address [cheymike@attbi.com](mailto:cheymike@attbi.com).
