

## May Events

- Meeting June 4,  
2002. 7pm at IBEW  
Local 415, 810  
Fremont, Cheyenne  
Wy.  
- Wyoming Gem &  
Mineral Show May  
25 & 26 Holliday Inn  
on S. Greeley HWY.

## May Meeting Minutes

The meeting was called to order by President, John Anderson.

Elections were held and here are the results:

President - John Anderson

Vice President - Robert Morrison

Sect/Treas - Margaret Winn

Claims Director - John Eggleston

Prize and Raffle - Rick Lesquier

The big raffle drew a big crowd. And the winners are:

Metal Detector - George Stumpf

Spiral Pan - Earl Reynolds

\$60.00 Moses Munoz, The Bue bowl was the original prize had an accident and the cash value of the bowl was given to the prize winner.

It was decided that we will have a webmaster. Randy Stumpf will set up the web page and maintain it for the club. Thanks Randy. This will help cut the cost of printing and mailing. For those of you that will not have access to the online newsletter will still receive it by mail.

Peggy Johnson was given a round of applause for the great job she did this last year as prize and raffle person.

The proof for the banner was approved. I now have the banner and it's ready to go for our first show.

Please come and support the club at the Wyoming Gem And Mineral Show over the Memorial Day weekend. Hope to have lots of fun and people there. We want to get people signed up in the GPAA. When we get someone to join the GPAA our club gets credits for items to be raffled off or publications for our library, our equipment for eatings and for the members to be able to sign out and find that Gold stuff. This is very important for the club so please come and join us and bring a friend.

FROM MIKE: Perry massey would really like to come up to the Douglas Creek on one of our outings. Mike will invite him to join us next year. He needs at least six months in advance to schedule, so Mike will invited and then let us know. One of you could be on TV!!!! We are hoping for July 19th & 20th or July 26th & 27th.

Wyoming DEQ-Guideline 16-Attachment D-Dredging permit.

In the May issue of the GPAA magazine there is a great letter about Mike Hays.

Thanks to those that signed up to help work at the Gem & Mineral Show. If anyone would like to give us a helping hand, come when you can.

Treasurers report was given by Frances. The officers audited the books and we balanced to the penny. Thanks Frances for your help in the last year as treasurer.

That's it for this time. If we don't see you at the show hope to see you at the meeting.

Margaret
