

November Meeting Minutes

November meeting was brought to order by President Bob Morrison.

Nov. Events

- December meeting:
3rd, 7pm IBEW Local
415, 810 Fremont,
Cheyenne, WY

John Eggleston gave a report on the Felix gold. If you would like to order some please get with John.

Scott Oliver spoke before the members and resigned his position and gave a report of the last meeting. He wanted everyone to know that he has really enjoyed being Vice President and that he encourages anyone to try for the position. He said he has had a lot of fun and has learned how to find and pan for gold. We are all sorry to see him leave, but hopefully he will find his way back once in awhile and keep in touch.

Ken Wilcox is our new Vice President. Welcome, Ken, we know you'll do a great job.

Ken Yergler was in with hats, however, the shirts were unavailable. He will bring them in December.

The Wyoming Rock and Mineral Show is on again for next year. We will be having another table for selling and offering panning demonstration. We will be putting out a sign up sheet for those that would like to volunteer some time to man the tables.

Mike Hays was able to be at the meeting and he tells us that he hasn't heard if Perry will be able to come to the Douglas Creek outing next year. He will keep us informed. He also tells us that the price of GPAA is not going up next year. For Forest Service Regulations, go to the net and print them out. We will try to get someone from the forest service to be at one of our meetings.

We are asking the members for ideas for our website, outings and prizes. What would you like to have or see available through the club, the meetings or as raffle prizes. Your ideas will help keep it interesting for not just you but also for other members. Your ideas keep the club healthy and moving forward.

John Eggleston was able to get us a portable outhouse for our outing, however we need a trailer and a holding tank. If anyone would like to donate them please get with Bob or John.

Dan Housel will be at our meeting January 7th. He will have slides and a presentation for us. So please plan to attend and get the New Year off with a great start. The club will have coffee, tea and a snacks.

Prize drawing: We want to thank those of you that have donated your time, items for prizes.

Scott Oliver- Pan and concentrates and a sample bag.

Again if you need the newsletter sent please let me know.

The club had some very sad news this month. Ferdinand (Chris) Christensen passed away in September. The club will miss him. Our deepest sympathy goes out to his family.

Thanks,

Margaret
