January 2004

**\*\* MEETING LOCATION \*\***

The February 3rd meeting will be held at Sandalwood's Restaurant at the Holiday Inn on Fox Farm Rd. at 7:00pm

**MEETING MINUTES**

**PRESIDENT'S NOTES**

The January meeting was called to order by President Bob Morrison with 31 in attendance.

The club has bought some silver coins for raffles; the officers would like feedback from the members if they like them.

The club will be adding more gold to the clubs monthly raffles. A motion was made by Lyle Shingleton that we use Felix gold for the raffles. Dallas Lake seconded the motion, the membership unanimously voted to accept this motion.

Dallas Lake is planning to have a booth at the Denver Gold Show this year; if anyone has something they'd like him to sell, contact him.

The Gem & Mineral Show will be held again this year in May. A motion was made by Louise Morrison that the club once again get a booth at the show, it was seconded by Lyle and agreed to by the membership. A motion was also made by Louise that the club raffle a gold nugget like we have in the past. Dallas seconded the motion and it was agreed to by the membership.

At the close of the meeting, the club donated \$5.00 to the waiter/waitress staff to make up for lack of sufficient tips.

**ACTIVITY REPORT**

Bob Morrison will try to get a speaker for the February meeting - no information as to who it will be at this time.

## SECRETARY'S NOTE

First, I'd like to Thank Louise Morrison for taking notes for me at the January meeting.

We just returned from Stanton, AZ and the LDMA Outing. A good time was had by all, except for the cold nights and cool days; we were told this is the coldest December outing they've had in years. We thought we were escaping the cold of Wyoming, but it just followed us. We just received a letter from LDMA with news of the "big" finds in Stanton. A 4 oz. gold and quartz nugget was found on one of the claims by a lady using a Fisher Gold Bug. We saw this one - it was about the size of a small egg. We believe Perry Massie bought it before he left Stanton. A 9 lb. gold/quartz nugget!! was also found by a man and his Mine Lab. It was estimated to have about 1 lb of gold inside. That just proves the gold is still out there, you just have to find the right spot.

I brought back the Stanton Camp Orientation sheet with the camping fees, camp rules, etc. If anyone would like a copy, contact me and I can bring it to the meeting or mail you a copy.

### RAFFLE WINNERS

#### Raffle

Grip wrench - Lyle Shingleton  
Mini mag light - Pat Collins  
Birdfeeder - Jim Clark  
2 buffalo nickles(1934 & 1936)- Dave Fugate
