

Help Requested

Stan Lang needs a ride to Fort Collins on 28 March for eye surgery.

Ann is unable to drive so we are looking for someone that can help them out.

If you can assist Stan please call Bob Morrison at 307-632-7895 to arrange the details.

MARCH MINUTES

Bob Morrison opened the meeting with 28 members present and 1 visitor. The new member and visitor were welcomed to the meeting.

No treasurers report was available, for health reasons Stan and Ann Lang couldn't make the meeting. Bob reported that we had some large expenses that brought our checking account down to \$200+. We should have enough small nuggets for the monthly raffle drawings for about a year, plus we purchased the gold nugget and sluice box for the May raffle. With the money from the monthly raffles and the May raffle, we should get our account built up again.

Ann Lang hasn't been able to get to the meeting, so if anyone wants anything from the Club Store, contact Bob and he can get the items you want.

John Eggleston and Bob Bruce also have the bags of gold concentrates if anybody needs some.

The Cheyenne Gem Show is May 20-21, 2006. We have raffle tickets printed and ready for sale, you can pick them up at the April and May meetings or call Bob at 632-7895 or Peggy Stumpf at 632-9945 if you need tickets to buy or sell. They are \$1.00 each and the prizes are:

1st - 9.9 gram Venezuelan gold nugget

2nd - Wolf Trap Sluice Box

3rd - Panning kit - pan, snuffer bottle, vial and a bag of gold concentrates and a bag of gold/quartz concentrates

We need volunteers to run the panning booth, a sign up sheet will be at the next meeting.

The club would like to thank Steve & Beverly Rice, and Wolf Stumpf for the discounts they gave us for the gold nugget and sluice box. If you want to purchase gold nuggets or a sluice box, these people can be reached at:

Steve and Beverly Rice also donated a gold specimen for us to use at a separate raffle. Beginning in April, we'll sell tickets for the specimen, \$1 each. Thank you Steve & Beverly.

Officer elections will be coming up in May, nominations will be open at the April meeting. We need more people to be involved in helping to run the Chapter. Be sure to attend the next two meetings and volunteer to help your Chapter.

Bob is checking into a group tour of the Phoenix Mine in Colorado - he'll have more details later.

The Wyoming GPAA Chapter Presidents will be meeting in Casper, April 21st & 22nd to discuss an outing with Tom Massey sometime this summer. Bob Morrison and Lee Beatty will be going to that meeting.

Ken Wilcox gave an interesting panning demonstration, if you missed it, contact Ken for information.

DEPARTMENT OF AGRICULTURE

Forest Service: Federal Lands Recreation Enhancement Act, Proposed Addition of the Crescent Mining Camp and Dawson Cabins to the Recreation Fee Site Program

AGENCY: Leadville Ranger District, San Isabel National Forest, Rocky Mountain Region, Forest Service.

Authority: The Federal Lands Recreation Enhancement Act, as part of the December 8, 2005, Consolidated Appropriations Act (Pub. L. 108-447).

Notice: Two additional expanded amenity recreation fee sites are proposed to the Forest Service Historic Cabin Rental Program.

SUMMARY: The Pike and San Isabel National Forests have an active cabin rental program that has been in operation since 2001 under the Recreation Fee demonstration Authority. Four cabins have been available to the public for overnight rental since the inception of this program. The original intent of this program was to expand the

number of rental opportunities using the revenue from the program. Two additional sites, the Dawson Cabin and Crescent Mining Camp, are now ready to be added to the program. These cabins would fall under Category 3.C, Expanded Amenity Recreation Sites and Services. Without the authority to charge a fee for these facilities the Forest Service would not be able to make them available to the public.

DATES: Transition is effective six months from publication of this Federal Register and concurrence by the appropriate Resource Advisory Committee.

FOR FURTHER INFORMATION CONTACT: Neal Weierbach, Recreation Program Manager, 719-553-1510 or nweierbach@fs.fed.us. Or, Jim Zornes, Leadville District Ranger, 719-486-0749.

SUPPLEMENTARY INFORMATION: The Responsible Official (Forest Supervisor) for the Pike and San Isabel National Forests, Cimarron and Comanche National Grasslands has elected to expand the previously mentioned Historic Cabin Rental Program under the authority of the Federal Lands Recreation Enhancement Act. The cabins originally operated under the Recreation Fee Demonstration Program will continue under this new authority, and additional cabins will be added to the program as they are restored. The public is invited to comment on the addition of these cabins to the program.

Additional information on the cabins can be located at <http://www.reserveamerica.com>.

Dated: March 6, 2006.

Robert J. Leaverton, Forest Supervisor.
