July Minutes

Ken called the meeting to order at 6:00 pm. 45 members were in attendance, 4 visitors and 2 new members were introduced & welcomed.

Previous meeting minutes approved.

The demos were completed on Saturday and were a great success. New members got to learn about sluicing, dredging and how a high banker works. There were also demos on the Blue Bowl and spiral wheels.

Many thanks go to Mark Bolenbaugh for the use of his claim. Ken awarded Mark a 1 oz. silver bar in appreciation.

The evening pot luck meal was also a great success. The evening thunderstorm was just a little late this year and just about everyone had already sat down to eat. The tent brought up by Pete was large enough to protect everyone.

More to come next month.

Membership Renewal

If you decide to renew your membership on the GPAA's website, remember this;

At the check-out page there is a comment section, ENTER your member number in the comments AND what club you are affiliated with.

If you renew by phone the operator will ask for your member number but they never ask which club you are with. You have to remember to tell them you are with the Cheyenne Chapter.

Every club receives 'points' from the national for each member in their chapter. These points can be exchanged for goods we can use in our raffles or the store.

"CHUCK'S GOLD TRAPPER"™

REVOLUTIONARY HAND DREDGE

As seen on the Outdoor Channel "Gold Fever" film 81GF

This sand pump actually really works. It has a diaphragm check valve built into the bottom cap. This allows you to suck gold and sand from under a rock in a stream and transport it to your bucket or sluice without losing any of your sample. It will suck sample out of a three foot deep hole and not lose any of your gold. I also have a crevice tool that goes on the end of the "Gold Trapper" and extends it a little over a foot to let you suck out cracks in bedrock or work your way through big rocks in the bottom of a hole.

100% satisfaction guaranteed or your money back.

I will guarantee the workmanship and materials of the "GOLD TRAPPER," when used under normal use, for a year.

"Gold Trapper" with Crevice Tool/Extension.....\$75.00
