August

Ken Siders called
7:10pm. Club officers
were in attendance.
There were a total of 48 in

Visitors /Guests were introduced and
welcomed. They were John Kerste; Shawn
Robichaud; Tasha & Christopher Kriest;
Clarissa & Michael Ritchhart.

The group welcomed Wayne Sutherland
from the Wyoming Geological Society. He
spoke to us about geological features around
Wyoming that have produced gold. He
spoke about the prices of gold from the
1840's to current. It was very interesting
and helped many members to know more
about the geology of Wyoming.

Ken Siders told the members about the
Department of Revenue letting us know that
sales tax was to be paid to the Department
on the sales from our store, with a special
stipulation that the store could be open at
events for only four times a year. One more
time would probably be acceptable. The
store will be open five times a year.

Don Ashley spoke to the group about the
new chapter in Casper, WY. The GPAA
was to have a show in the future and several
sites were spoke about.

It was also announced that Don would no
longer be the treasurer, that he has a lot to do
with his job as State Director. Ken Siders
explained that the treasurer position would
be voted on next meeting.

Mark Bolenbaugh reminded us that the
BLM Form 3830-2 was due by Sept. 1 and
that the maintenance waiver was due by
Dec. 30.

Pete Somontes told us about the Wind
Farm issue and that the BLM wanted public
comments. He encouraged all members to
give their opinion.

The pan was passed for the PLP, with \$60
being collected.

Larry and Lyle both made motions to have
a get together on the flats at Douglas Creek.
The members agreed to have this on August
27, 2011. The club would furnish
hamburgers, hot dogs, buns, ketchup,
mustard and mayo. Those attending were
asked to bring a covered dish. Peggy

mentioned that we did have paper plates,
cups, and bowls.

The meeting was adjourned at 8:40 p.m. The
next meeting is September 6, 2011.

Tickets were drawn for the general and
attendance raffles; and the 50/50 drawing.

End

Rock Show

The Weld County Rock & Mineral Society
will be hosting a Rock Show Oct 1-2 at the
Greeley Senior Center. Prizes being raffled
include gold nuggets. If you would like raffle
tickets call Melanie at 970-352-8149 or Anne
Nichols at 970-353-4174. Need not be present
to win.

Admission is free to the public.

Gold Prices

Gold closed at \$1,826.90 per troy oz. on the
New York market today. Analysts are saying
that \$.55 of today's \$1.50 rise is due to a
weakened US dollar.

Some analysts are predicting that gold will
hit \$5000 per oz. in the next few months.

End

Sell your gold to us!

If you are thinking of selling your gold
nuggets talk to Don Ashley first. The club is
always buying nuggets so why not yours?

T-Shirt (kids)	\$10.50
Tweezers	\$ 5.00

August 27 Potluck

We had a good showing at the potluck this year, if you were unable to attend you did miss some fine food. LD outdid herself cooking burgers, franks and chicken. The Forest Service has started work on the bridge, we can expect that the bridge will be closed after Sep 6. Logging is already taking place along FSR512. Douglas Creek has dropped back to it's normal flow for this time of year but you can still see how high the water was by the debris and sand along the banks. There has been a young black bear hanging around the camp this year so if you go up for this weekend just be aware.

"CHUCK'S GOLD TRAPPER"™

REVOLUTIONARY HAND DREDGE

As seen on the Outdoor Channel "Gold Fever" film 81GF

This sand pump actually really works. It has a diaphragm check valve built into the bottom cap. This allows you to suck gold and sand from under a rock in a stream and transport it to your bucket or sluice without losing any of your sample. It will suck sample out of a three foot deep hole and not lose any of your gold. I also have a crevice tool that goes on the end of the "Gold Trapper" and extends it a little over a foot to let you suck out cracks in bedrock or work your way through big rocks in the bottom of a hole.

100% satisfaction guaranteed or your money back.

I will guarantee the workmanship and materials of the "GOLD TRAPPER," when used under normal use, for a year.

"Gold Trapper" with Crevice Tool/Extension.....\$75.00

Shipping in US.....Free

Canadian shipping \$15.00 extra.....\$75.00
