Minutes of June Meeting

7:00pm June 3, 2014
American Legion Post 6
2001 E. Lincolnway
Cheyenne, Wyoming

Meeting open by President Ken Siders. There were 33 members in attendance.

Ken introduced Rick Messina, State GPAA Director and President of the Casper GPAA Chapter. Rick attended the Las Vegas Summit and reported on some of the things discussed there. Also, he reported that a new chapter is starting in Worland, WY and also a new chapter is starting in Deadwood, SD.

Another thing Rick brought up is the fact that there is an emergency number for reporting problems that may be encountered while on a claim. The number is 1-800-442-2767. This number goes to a dispatcher in Cheyenne who will dispatch someone from BLM, USFS, Game & Fish, or whoever the appropriate agency would be. It would be a good idea to keep this number with you any time you're out prospecting.

Mark Bolenbaugh wrote a letter to the USFS concerning the new camping rule, and asked about an exemption. The response he received was that he would need to submit a Plan of Operation.

A motion was made, seconded, and unanimously passed to continue collecting donations for the PLP.

The next meeting will be Sat. July 12 at Douglas Creek, around 4:00pm. The business portion of the meeting was adjourned, and the raffle followed.
